

## NAIFA-Spokane's "Identity Theft" Event

May 14, 2008 -- -- 8:30 am to 1:00 pm

This event has been designed to provide invaluable information about Identity Theft, Computer Security and Storage and Shredding of important Sensitive client data. Our focus will be on business building with our clients through sharing an awareness of these important issues.

### Our Featured Guest Speakers include:

Speaker # 1 - Darla Kloviski, a Certified Identity Theft Risk Management Specialist (CITRMS) will educate us on Identity Theft, the laws and what the requirements are. She will cover the Affirmative Defense Response System requirements in order to be in compliance with these new laws.

Speaker # 2 – Larry M. Vierra of Advanced PC Solutions, LLC has 23 experience in information technology and is a PC/Technology expert, and formally served as an IT Specialist for the Deschutes Co. Sheriffs Office and has a BS Degree in Business Information Systems. He formed the computer forensic lab for the Deschutes Co. Sheriffs Office.

Speaker # 3 – Pat DeVries, President of DeVries Business Services will speak on safe offsite records storage, Total Recall, Customer Risk Avoidance and Mobil Shredding. They will also have a shredding truck on site to do shredding that day. Please limit to one box what you want shredded. The shredding will take place after the seminar around 12:00pm

These professionals will be sharing what you need to know about how to stay ahead of the threats to our Identity that are coming at us on a daily basis. Come and learn how to be knowledgeable and in the know so you can share this information with your clients.

We will be holding this event at the Moran Prairie Library located at S. 6004 Regal, just north of the 57<sup>th</sup> and Regal intersection on the West side of the street. We will have Coffee, Juice, Fruit and Donuts for refreshments. Please register early so that we may purchase refreshments accordingly. Remember to bring your clients for free if they bring a food donation.
